

HEALTH AND SAFETY POLICY

M/s M. G. MOHANTY

OUR BELIEFS / AIMS:

Zero tolerance towards health and safety of all personnel, working directly or indirectly in M/s M. G. Mohanty, as utmost priority. Responsibility towards occupational health and safety is driven by our commitment to ensure zero accident in and around the mines.

OUR PRINCIPLES

- Our duty and responsibility to ensure prevention of near misses and accidents during operation at workplace.
- Training of employees for a safe and healthy work culture.
- Carryout all work with outmost care towards safely and prevent any accident.
- All job rolls shall be accessed for the risk involved and shall be carried out as per authorize procedures / checklist and using necessary personal protective equipment.

We are committed to continuous improvement towards occupational health and safety standards.

- Excellence in health and safety drives results in excellent mining operations.

Without a healthy and safe operation there can be no systematic, scientific and sustainable mining.
